CEPE 2005

THE ① FILES
SUPER SOLDIERS

Not that unlikely, since...

- Cyborgs are expensive
- Militar uses a lot of High Tech
- Soldiers are special

My 1rst question:

What is wrong with super soldiers?

German Congress of Philosophy Berlin 2005

Elisabeth List: No Cyborg should be discriminated

German Congress of Philosophy Berlin 2005

Bernward Gesang: *Maybe* general mental enhancement (i. E. IQ) is an option, if

- it is provided to everyone, who
- wants to become enhanced.

German Congress of Philosophy Berlin 2005

My 2nd Question:

What is wrong with having a mental enhancement
and raise your IQ?

German Congress of Philosophy Berlin 2005

My 2nd Question:

What is wrong with becoming a Super Professor?

German Congress of Philosophy Berlin 2005

My 2nd Question:

What is wrong with **becoming** a Super Professor?

Three Body related problems

- **Suicide**
- **Sex Change Operation**
- **Prostitution**

Three Body related problems

- **Suicide**
- **Sex Change Operation**
- **Prostitution**

Three Body related problems

Sex Change Operation:

- 1. There are humans who want to change sex,**
- 2. Implants are used (-> Bionics),**
- 3. it is provided to everyone (-> Health insurance),**

Three Body related problems

Sex Change Operation:

**...BUT there are very strict regulations
(*Transsexuellengesetz*) to make sure, that Sex
Change is the best solution.**

Three Body related problems

BTW:

Sex Change is only paid for as a medical treatment.

Three Body related problems

Prostitution (The Liberal View):

A contract between consenting adults.

Three Body related problems

Prostitution (Critics):

Prostitutes are not consenting as a free adult, but are forced to do so.

Three Body related problems

Prostitution (Critics):

Prostitutes are not consenting as a free adult, but are forced to do so. (Maybe there are some...)

My 2nd Question:

What is wrong with becoming a Super Professor?

My final Question:

What is wrong with becoming a Super Worker?

What is wrong with becoming a Super Worker?

One possible answer:

Forcing someone to modifying his body is a serious Human Right-Issue.

And we can not make sure, that all people who „want“ an enhancement, do really want to.

Thank you.
